The Federal Law On Joint Stock Companies and the Company's Articles of Association shall establish the quorum and the procedures for decision making by the Supervisory Board. Where in compliance with the Federal Law On Joint Stock Companies or the Articles of Association of the Company a decision is taken by a qualified majority or by a unanimous vote of all members of the Supervisory Board without the votes of those who have retired from Supervisory Board, the "retired" members of the Supervisory Board shall be interpreted as dead, missing and recognized incapable.

8.6. Each of the members of the Supervisory Board shall have one vote. No member of the Supervisory Board is allowed to assign his/her vote to any other member of the Supervisory Board. The place of the meeting held in the videoconference mode shall be the location of the Chairman of the meeting of the Supervisory Board.

8.9. The Chairman of the Supervisory Board shall take a decision to hold absentee voting of the Supervisory Board.

In the event of absentee voting, ballots shall be distributed to the members of the Supervisory Board with the use of electronic system for collegial bodies support, by e-mail, by facsimile or in hard copy. - 2) The wording of the issue (item on the agenda);

- 3) The wording of the draft decision on each of the items on the agenda;
- 4) Voting versions (expressed as: "FOR", "AGAINST", "ABSTAINED");
- 5) A mention of the requirement to duly fill in only one of the voting versions on each of the items;

The Corporate Secretary shall process the ballots received from the members of the Supervisory Board.

Those members of the Supervisory Board whose ballots were submitted within the established deadline for submission of ballots shall be deemed participating in the voting.

A ballot may be deemed invalid in full or in part of any of the items on the following grounds:

- There are any signs in more than one box of the voting version on the item (except for cases where presence of any signs in more than one box does not prevent unambiguous understanding of the will expressed by the member of the Supervisory Board, i.e., when there are no doubts about the version he/she selects); or
- There is no signature of the voting member of the Supervisory Board on his/her ballot; or
- The ballot includes any corrections and/or reservations on the proposed draft decision.

The Corporate Secretary shall draw out the minutes of the absentee voting. If requested by any member of the Supervisory Board, the minutes of the absentee voting shall be sent to the relevant member of the Supervisory Board by a registered letter with a delivery receipt, sent by e-mail, facsimile or handed in personally within 3 (three) days after the request submission date.

9. PROCEDURES OF THE MEETING AND OF DECISION EXECUTION OF THE SUPERVISORY BOARD

9.1. Quorum of the meeting of the Supervisory Board shall be registered in the minutes of the Supervisory Board meeting.

Any member of the Supervisory Board who is unable to attend the meeting of the Supervisory Board in person, may express his/her opinion on the items on the agenda in writing.

If the written opinion submitted by the member of the Supervisory Board includes the results of his/her voting on the proposed draft decisions (one of the proposed draft decisions), such member of the Supervisory Board shall be deemed participating in the voting and his/her written opinion shall be counted when establishing a quorum for taking decisions on the items on the agenda and the voting results.

The member of the Supervisory Board shall submit such written opinion before the meeting of the Supervisory Board, in one of the following ways: with the use of electronic system for collegial bodies support or by means of electronic communications (a scanned image of the written opinion).

In the event any alternative draft decisions on the same item of the agenda are submitted to the Supervisory Board for consideration as per Clause 9.9.1 of these Regulations, the written opinion of the member of the Supervisory Board in a rating voting shall be counted, subject to the condition that it includes his/her voting results in such rating voting for one of the proposed alternatives and reflects the fact of his/her awareness of the other alternative draft decisions.

In the event the meeting of the Supervisory Board decides to change its decision on any item on the agenda of the Supervisory Board, the Corporate Secretary on the instructions of the Chariman of the Supervisory Board may distribute the amended ballots (updated draft decisions) to those members of the Supervisory Board who are unable to attend such meeting in person before the closure of such meeting of the Supervisory Board.

The member of the Supervisory Board shall submit his/her written opinion (updated written opinion) before the closure of the meeting of the Supervisory Board.

9.2. If there is no quorum, the meeting shall be declared incompetent In such case the person in the chair of the meeting of the Supervisory Board shall take one of the following decisions:

- 1) Determine the time for a new meeting to be held instead of the failed one and to have the prior established agenda, and take measures to ensure attendance by the members of the Supervisory Board;
- 2) Advise the members of the Supervisory Board about the planned time of their notification of the new meeting to be held instead of the failed one, in the order established in these Regulations;
- 3) Include the agenda of the failed meeting into the agenda of a regular planned meeting of the Supervisory Board;
- 4) On agreement of the members of the Supervisory Board attending the meeting, exclude the items (the agenda) of the failed meeting in full or in part out of the list of issues to be considered at meetings of the Supervisory Board (except for cases stipulated by effective laws).

The new meeting instead of the failed one may be held not less than one hour and not more than 20 (twenty) days after the decision on the issue is taken by the person in the chair of the meeting.

The quorum of the meeting of the Supervisory Board with a given agenda registered as regulated above shall be established only once for the whole meeting of the Supervisory Board with the given agenda, independent of the actual work duration of the Supervisory Board in the frameworks of such meeting.

In the event the number of the members of the Supervisory Board becomes less than one half of the membership of the Supervisory Board in the course of a meeting of the Supervisory Board due to their departure, the person in the chair of such meeting of the Supervisory Board shall have the right to take one of the following decisions:

- 1) By force of the impossibility to take decisions due to the lack of a quorum for taking decisions by the Supervisory Board established in the order stipulated in these Regulations (as relevant to case), terminate the meeting of the Supervisory Board;
- 2) In view of the lack of a quorum for taking decisions by the Supervisory Board established in the order stipulated in these Regulations, continue the meeting of the Supervisory Board without taking any decisions with the aim of ascertaining the position of the remaining members of the Supervisory Board and developing recommendations for the Supervisory Board to be considered at a regular meeting of the Supervisory Board.

Under these Regulations, establishing a quorum is a preliminary procedure to precede the actual meeting of the Supervisory Board. No voting shall be held to approve the quorum (information of the Corporate Secretary about availability of the quorum).

9.3. The person in the chair of the meeting of the Supervisory Board shall have the right to exclude any items put on the agenda of the meeting of the Supervisory Board on the following grounds:

- The initiator of the item is absent from the meeting of the Supervisory Board;
- The initiator has made an oral or written application to exclude the item from the agenda.

9.4. At the meeting of the Supervisory Board, the following time-limits shall be established: up to 10 (ten) minutes for reports; up to 5 (five) minutes for supplementary reports and speeches in a debate; up to 3 (three) minutes for references/clarifications. The person in the chair of the meeting of the Supervisory Board may change the time-limits.

Any participants in the meeting and parties invited to the meeting may speak in a debate, put forward proposals, make comments, and provide references/clarifications on the essence of the issues

under consideration. The debate shall be stopped following a suggestion by the person in the chair or any members of the Supervisory Board.

9.5. If necessary, the Supervisory Board may hold a visiting meeting of the Supervisory Board.

9.6. At the meeting of the Supervisory Board, decisions shall be taken by open vote.

9.7. At the meeting of the Supervisory Board, voting may be held with the use of an electronic vote counting system or without such electronic system.

The electronic vote counting system may be used for: registering those members of the Supervisory Board who are present and establishing a quorum; counting the votes and determining the results of the voting; entering members of the Supervisory Board on the list for a debate; and providing information support to the meeting of the Supervisory Board.

9.8. The voting shall be a choice out of the following vote versions: "FOR", "AGAINST" or "ABSTAINED". The counting of the votes and presentation of the voting results in absolute terms shall be held in relation to each voting.

In case any members of the Supervisory Board develop a new draft decision on an issue under consideration in the course of discussions on such issue, the new draft decision shall be put to the vote subject to no objections from at least one of those members of the Supervisory Board who are present at the meeting; and no voting shall be held on the prior draft decision. If at least one Supervisory Board member present at the meeting in person objects, the new draft resolution developed by the Supervisory Board members shall be considered alternative and submitted to the Supervisory Board directly at the meeting; the decision of whether to include this resolution into the list of alternative draft resolutions on the agenda in question shall be made by the Supervisory Board by a 2/3 (two-thirds) majority of the votes cast by the members of the Supervisory Board.

In the frameworks of consideration of one item on the agenda of the meeting of the Supervisory Board, separate voting of the Supervisory Board is allowed on separate points of the draft decision (if there are two or more points in the draft decision).

The separate voting shall be held in the following cases:

- There is a written request by at least two members of the Supervisory Board submitted to the Chairman of the Supervisory Board three working days before the date of the relevant meeting of the Supervisory Board;

meeting of the Supervisory Board and shall include a justification of the need to approve the given wording of the decision.

In case a proposal to consider an alternative draft decision on an issue is submitted to the Supervisory Board directly at the meeting, the decision to include it into the list of alternative draft decisions on the issue under consideration shall be taken by the Supervisory Board by a 2/3 (two-thirds) majority of the total votes of the Supervisory Board.

The initiator of the proposal to consider the alternative draft decision shall submit relevant printed materials to the members of the Supervisory Board together with the proposal.

In the rating voting, only one of the draft decisions submitted on one item on the agenda shall be selected to be considered by the Supervisory Board.

The draft decision that acquires the largest number of votes "FOR" it in relation to the other drafts shall be deemed accepted for consideration.

In the event two or more alternative draft decisions acquire the same number of votes, the alternative draft decision for which the Chairman of the Supervisory Board of the Company or the person in the chair at the meeting of the Supervisory Board votes shall be accepted for consideration.

In the event none of the alternative draft decisions acquires a sufficient number of votes of the members of the Supervisory Board to be accepted for consideration by the Supervisory Board, the item shall be withdrawn from consideration of the Supervisory Board.

9.9.2. In case of absentee voting, the ballots may include alternative draft decisions on each of the items on the agenda subject to the condition that they are submitted at least 2 (two) working days before the date of the absentee voting of the Supervisory Board and include a justification of the need to approve the given wording of the decision. In such case, each of the members of the Supervisory Board may vote on each of the proposed alternative draft decisions. The alternative decision that acquires the largest number of votes "FOR" it in relation to the other alternative decisions (subject to the condition that it has acquired the majority of votes as required by the Company's Articles of Association) shall be deemed passed. In the event several of the alternative draft decisions acquire the same majority of votes, none of such decisions shall be deemed passed.
